Step Back in Time Aboard the S.S. LEGACY | Tuesday, June 10 Adjacent to Fisherman’s Terminal at Salmon Landing

Join us on Tuesday, June 10 for our program meeting aboard Un-Cruise® Adventures small cruise ship, the S.S. LEGACY at Fisherman’s Terminal. You will be welcomed aboard for all-inclusive cocktails and heavy appetizers. In small groups, you will have a tour of the S.S. LEGACY including the Owner’s Suite, the Bridge, the Barnacle Saloon and dining area. Along the way you’ll meet some characters from the 1900s, including a passenger preparing for a journey to Alaska, the Captain of the S.S. Legacy and the 1902 Seattle Chamber of Commerce President.

We are pleased that Un-Cruise®, one of our advertisers in THE SEA CHEST has offered us this opportunity to have a very different program. We will be aboard the newly-refurbished 192 foot vessel, the S.S. LEGACY as she prepares to shift from her Columbia & Snake River itinerary to summer adventures in Alaska. Don’t miss this fun and interactive program!

May Awards Program Recipients

2014 Medal of Merit: Chuck Fowler
Chuck Fowler received the Medal of Merit Award for his forty years of helping to preserve and promote our Pacific Northwest maritime history. During this time, Chuck co-founded and co-coordinated the Pacific Northwest Maritime Heritage Council. Chuck, along with his wife Karla, led many successful maritime heritage, waterfront redevelopment and marine environment projects. To PSMHS members, Chuck may be most well-known as a maritime historian and author of many books and articles.

2014 Volunteer of the Year: Dick Vanderpool
Dick is currently a PSMHS McCurdy Family Maritime Gallery Ambassador who volunteers every Thursday. He is a fantastic ambassador for PSMHS with his vast knowledge of maritime history combined with his gentle personality. On First Thursdays, he is always eager to help with the hands-on activities for children in the gallery. Previously, he was in charge of our museum in the Chandler’s Cove complex for several years, taking on the responsibility for coordinating the staffing and operations. Dick also served on the PSMHS Board and held the position of Membership Secretary.

IN MEMORIAM

We regret the passing of our friend and Editorial Board member and author, Carl Nordstrom III. Carl was very active in Society affairs. He served as Vice President in 1972, President in 1973, and was an Honorary Life Member. He grew up in Seattle and was descended from a pioneering family. His grandfather and great grandfather ran the freight boat SQUAK and tug BEE on Lake Washington and Lake Sammamish as early as 1870. His father, Carl Nordstrom II, and uncle, Phillip Spaulding, were both Seattle-based naval architects.

Carl graduated from the U of W in 1946 with a degree in Electrical Engineering and was commissioned in the Naval Reserve. Some years later, he was called up to serve in active duty on a destroyer during the Korean War. Carl had a 36-year career at Boeing, and he and his wife Virginia raised three daughters. During this time, he also served on the Virginia V Foundation, with a year as President during one of the years that the steamer visited the shipyard for rehabilitation.

The Nordstrom family lived in Normandy Park and Carl became quite famous for firing cannon, with powder only, from his yard every Fourth of July. The barrel was made from an armor bolt salvaged by his father from the battleship OREGON. Carl will be missed by all of us. - RRB, Editor, THE SEA CHEST

ANNUAL FUND DONORS FEB 1-MAY 9, 2014

We are grateful for the financial support of the following donors beyond their membership dues. Thank you for your support of our programs and projects!

$500+

A MESSAGE FROM KAREN MARSHALL, EXECUTIVE DIRECTOR

Dear Society Members,

I have submitted resignation to the PSMHS Board of Governors effective May 30, 2014. It has been a pleasure getting to know so many of you through our programs, research inquiries, events and correspondence. I look forward to seeing the Society grow and flourish in the coming years. All the best to you!
