**OCTOBER ROAD TRIP**

**SUNDAY AFTERNOON AT THE NEW PUGET SOUND NAVY MUSEUM NORTHWEST**

Responding to suggestions, we are taking PSMHS “on the road.” On Sunday afternoon, October 4th, we’ll be meeting at the newly relocated Puget Sound Navy Museum Northwest, right next to the ferry dock in Bremerton.

Like our other Sunday afternoon meetings, this one will be more casual and designed for members to bring friends and family. A buffet luncheon featuring a selection of sandwiches and drinks will be ready at 2 p.m.

Our program will begin at 2:45. Retired Navy Captain Bill Galvani, the director of both the Puget Sound Navy Museum, Bremerton, and the Naval Undersea Museum at Keyport, will be our speaker, updating us on the development of the beautiful new Bremerton facility and then taking us on a tour of museum including exhibits and collections.

Bill has been the director of the Naval Undersea Museum at Keyport since 1993 and has taken the Bremerton museum under his wing since the remodeling was completed. He is the author of *Mastail To The Wind*, a book of more than 1,000 quotations relating to the sea. It is the first of its kind and a great research source.

Reservations are $24.00 per person and must be made in advance by using the coupon on page three.

For most traveling from the Seattle area, there is a 2:45 p.m. ferry from downtown Seattle which will arrive in Bremerton at 1:45. Just walk outside the ferry terminal, turn left and walk down a curving sidewalk to the museum. Our meeting will start at 2 p.m. in the Fountain Room, to the right once inside the lobby of the museum.

The Seahawks and Sounders are both out of town on our weekend, making parking available under the Alaskan Way Viaduct, near the ferry dock. It was also suggested that we stake out an area upstairs on the ferry for PSMHS folks to gather for the sail to and from Bremerton. We’ll try to make sure someone will have one of our flags up to mark the area.

If you are driving directly to the Bremerton Naval Museum, parking is available in a deck and lots within a block. Just follow the driving directions to the ferry dock. The museum is located southwest of the ferry dock at 251 First Street. It’s main section is the restored white former Navy Yard Headquarters building. For folks using GPS the zip code is 98337. Museum phone is 360-479-7447.

This is our first Sunday afternoon meeting of the fall and our first maritime museum “road trip.” See you on the ferry or at the museum.
